STEP 1: IDEATION & HOOK GENERATION

Prompt #1 — The 30-Day Content Matrix Generator

Copy and paste this exact prompt into ChatGPT or Gemini. Replace bracketed text with your specifics.

COPY-PASTE PROMPT:

"Act as a world-class Direct Response Marketer and Short-Form Video Expert. I specialize in [e.g., Home Business / Wellness / Network Marketing]. My target audience is [e.g., busy moms, 9-to-5 employees wanting extra income, entrepreneurs].

Generate a 30-day short-form video content calendar (Reels/TikToks/Shorts) divided into 4 weekly themes:

- Week 1: Problem Awareness & Relatable Pain Points
- Week 2: Myth-Busting & Industry Secrets
- Week 3: Proof of Concept & Soft Offer / Lifestyle
- Week 4: Direct Calls to Action & Opportunity Overview

For each of the 30 days, give me:

1. Day # & Theme
2. A Scroll-Stopping Hook (First 3 seconds)
3. Core Message / Value Point
4. Call to Action (CTA)

Keep the hooks punchy, curious, and emotionally resonant."

 **Pro Tip:** Ask the AI to emphasize "curiosity gap" hooks like: *"Stop doing [X] if you want [Y]..."* or *"The 3 free AI tools no one is telling you about..."*
